

EdgeMaster's Gift Certificates

EdgeMaster's gift certificates make the ideal gift for sportsmen and those who spend time in the kitchen. Very few individuals have the tools and talent to put a razor sharp edge on their knives. If you have that special person in your life that you would like to bless with a very unusual gift, this is it. Your friends and loved ones will thank you forever for turning them on to this much needed service.

To receive your gift certificate today, just give us a call at **719-684-3936** out the mail-in order form. Once we get the recipients name, amount of the certificate and your credit card information, we will immediately email you a completed certificate like the sample below. You may print it and mail it or email it to that special person.
